Sainsbury's Level 3 School Games 2014

Tri golf

The Tri Golf was one of the most exciting events in the Sainsbury's Summer School Games 2014; they used 8 different skills stations including putting and iron practice. They have 5 minutes for each skill to get as many points as they can.

There were 5 different skills the sports students will use in life:
Teamwork, Honesty, Respect, Co-operation and Being Competitive
